

# 3 QUICK STEPS

## to take the headache out of obtaining your chronic medication

Pharmacy Direct offers you hassle-free chronic medication delivery to your home or office. No queuing, no traffic, no stress and no fuss – just all your medication and scripts delivered on time, every time.

### STEP 1

Before you register, it's important to first check with your medical scheme to make sure you are registered for chronic benefits.

### STEP 2

Complete the Pharmacy Direct registration form. You can find it:

 [www.pharmacydirect.co.za](http://www.pharmacydirect.co.za)

 086 002 7800

 [newpatients@pharmacydirect.co.za](mailto:newpatients@pharmacydirect.co.za)

### STEP 3

Send your completed registration form and repeatable prescription to:

 [newpatients@pharmacydirect.co.za](mailto:newpatients@pharmacydirect.co.za)

 086 524 7481

 PO Box 7344, Centurion, 0046

If you register online, we'll process your documentation electronically.

### ALWAYS REMEMBER!

All documentation must contain the following information:

- Your medical aid membership number
- Dependant code

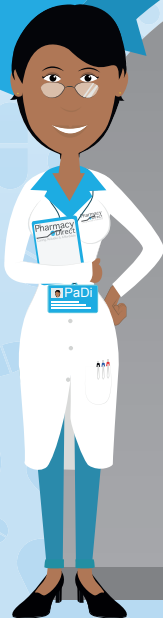

All future communication to Pharmacy Direct must include:

- Your initials and surname
- Medical aid and/or Pharmacy Direct patient profile number
- ID Number
- Contact phone number
- Dependant number
- Delivery address

Before we can deliver, please ensure that:

- Your account is up-to-date in terms of payment
- Your script is valid/renewed as necessary

Also remember to keep us informed if any of these details change.

### Need a helping hand?

Your friendly pharmacist, PaDi, and her team are standing by to help if you need assistance with the registration process... or anything else.
